***Status Docket** is to announce to the judge if you have received discovery and a plea offer, and to talk to your client about the case.

****P/T & Docket Call** – P/T is for any matters that need to be taken care of before trial. If a long hearing is necessary you may want to schedule this on a separate day. Docket Call is for any cases in which a defendant already has an attorney and they announce whether or not they are ready for jury selection & trial.

*****Arraignment** is for any new cases or any case where the defendant does not have an attorney after arrest or indictment.
